June 29, 2016

Dear Jordi,

On behalf of ISMRD, I want to thank you for your very generous donation of \$9,040.00 on June 17, 2016 to ISMRD in support of the Mucopolidosis Research Initiative. We are very pleased to tell you that with your support, we have reached our goal of raising \$100,000 USD for research to cure this devastating disease. Without this support ISMRD would not be able to move our mission forward of supporting families, research and working towards finding cures for our special children.

ISMRD is a 501(c)(3) charitable organization based in the United States serving a global constituency. We provide our services, which include our newsletter, website, outreach activities and support of research, without requesting monthly dues or any other financial restrictions.

Thank you again very much for your generous support that will enable us to continue towards our goal of a future free of the tragic consequences of Glycoprotein Storage Diseases. Please visit our website at [www.ismrd.org](http://www.ismrd.org).

Kind Regards

**Mark Stark**  
Board Member ISMRD

*Please consider this letter official receipt of your contribution. No goods or services were exchanged for this donation. Your contribution is tax deductible to the extent allowed by law.*
